

# Tous Besoins

« L'application de  
tous vos besoins »

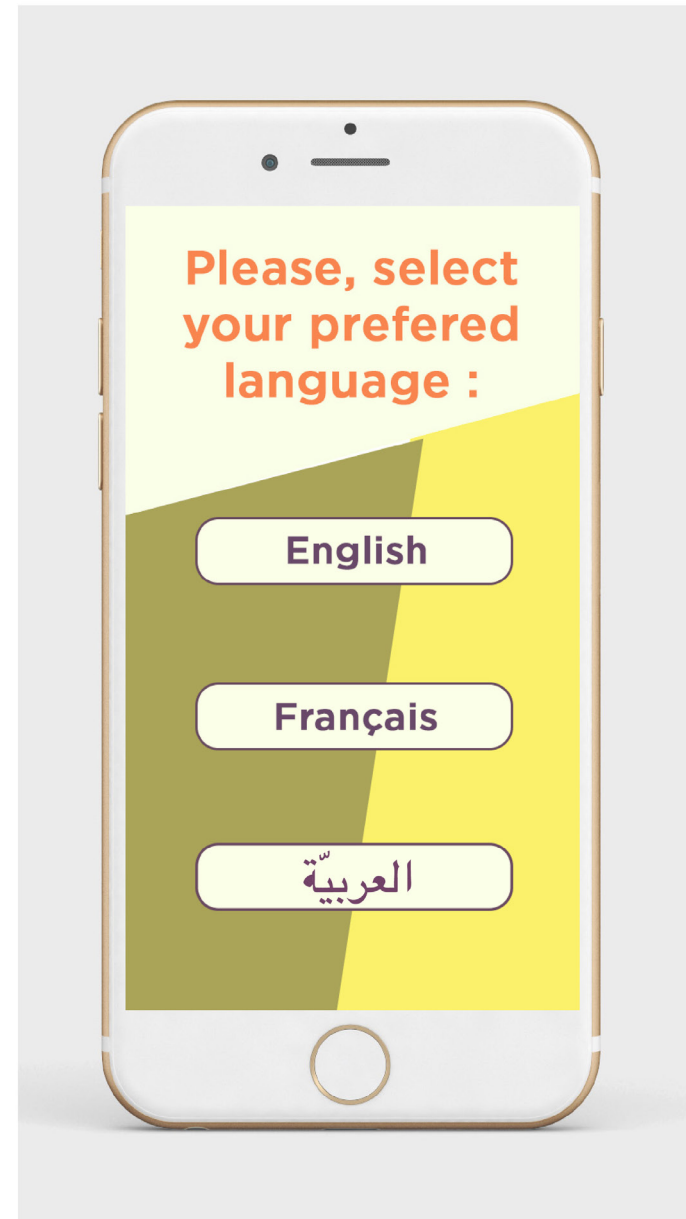

Curious of what the app  
looks like ?

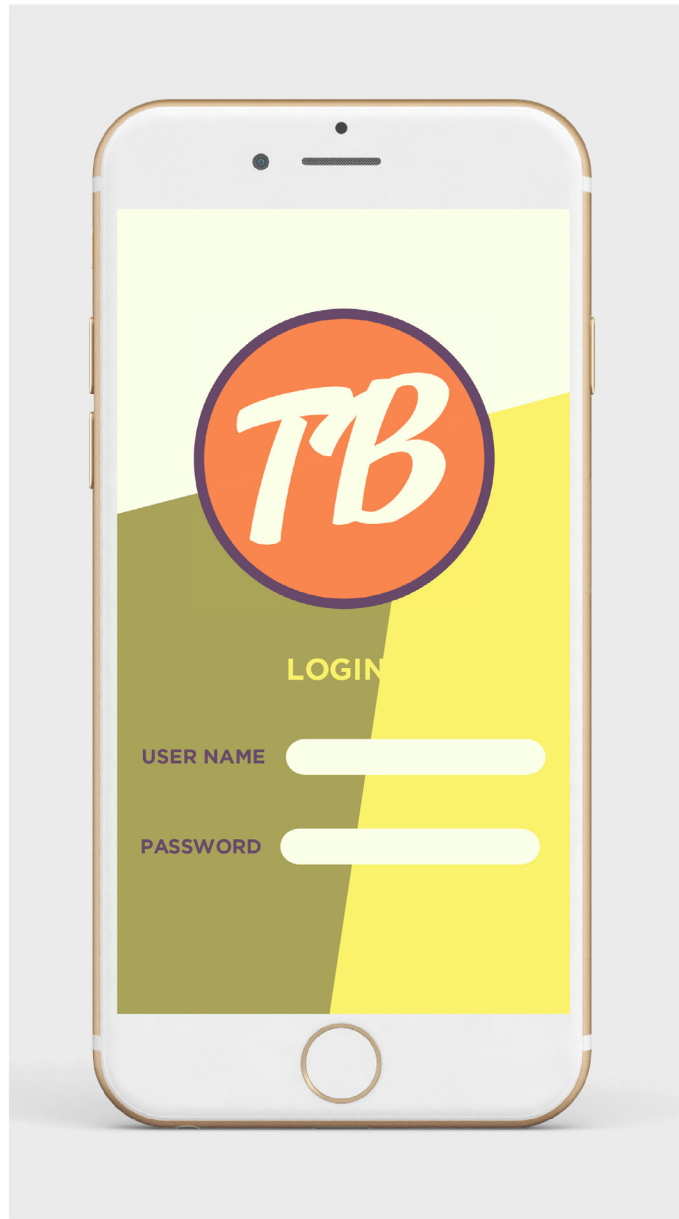

A one-stop-shop for all the needs of homeless people

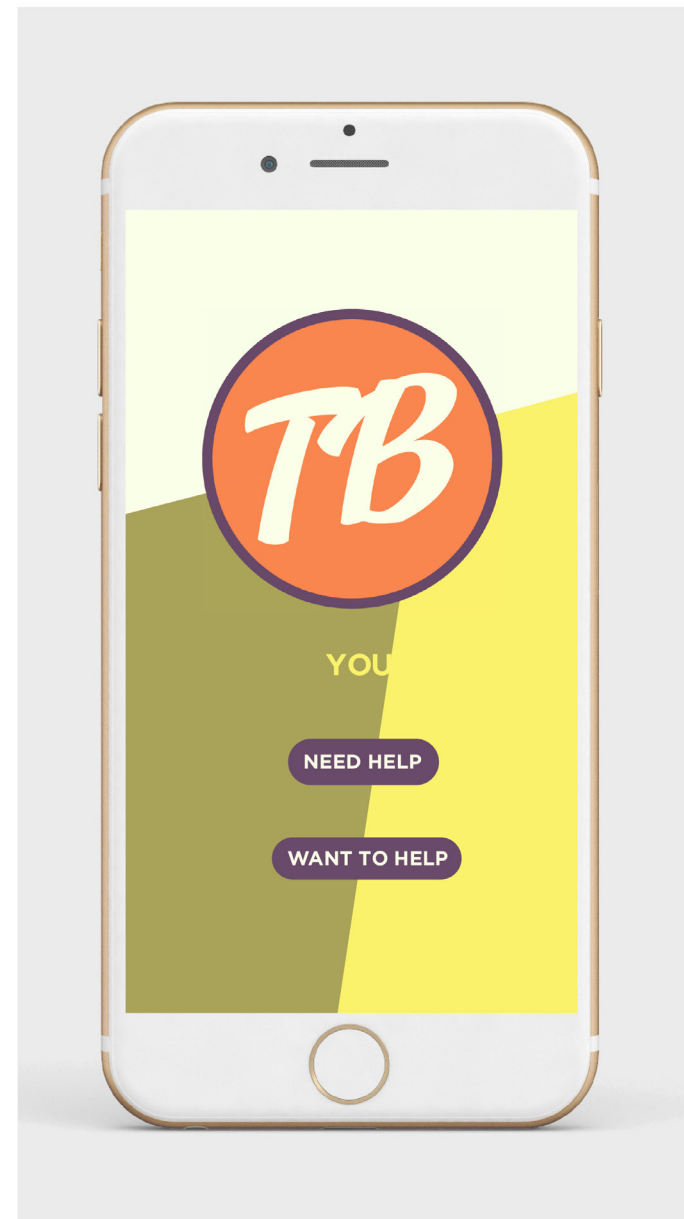

Available in three languages

Simple login  
no phone number required

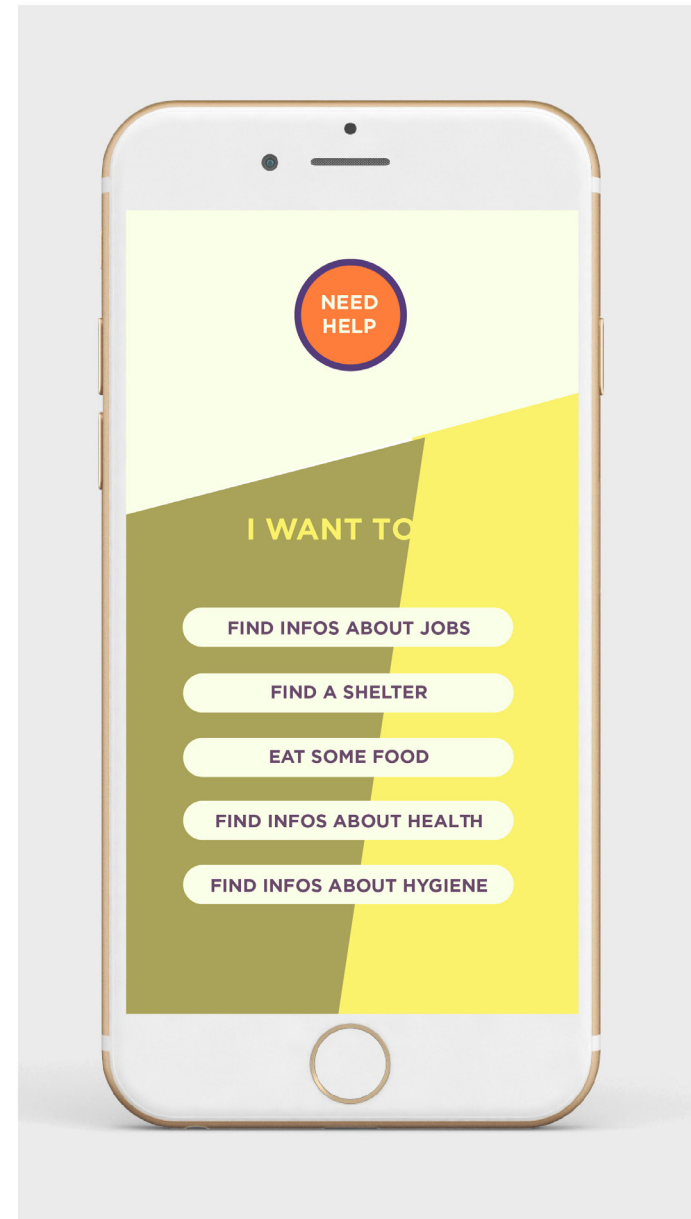

Two interfaces available for  
needing or giving help

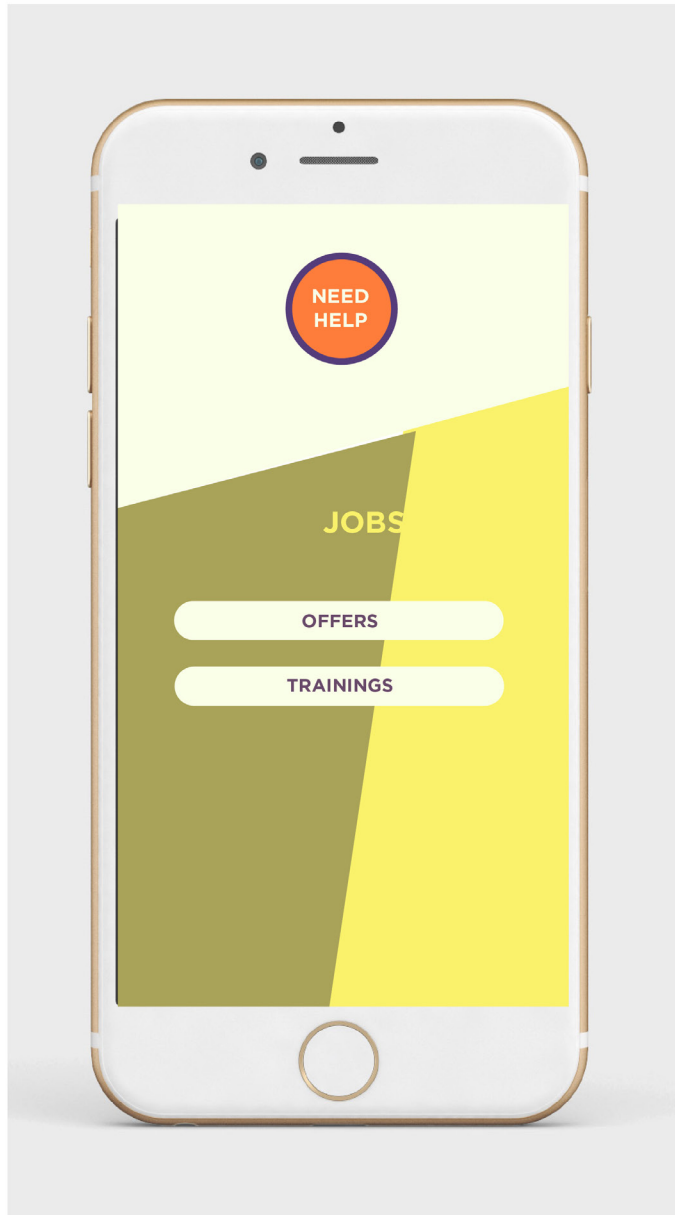

## Encourage individuals to share initiatives

## All needs covered in one clear app

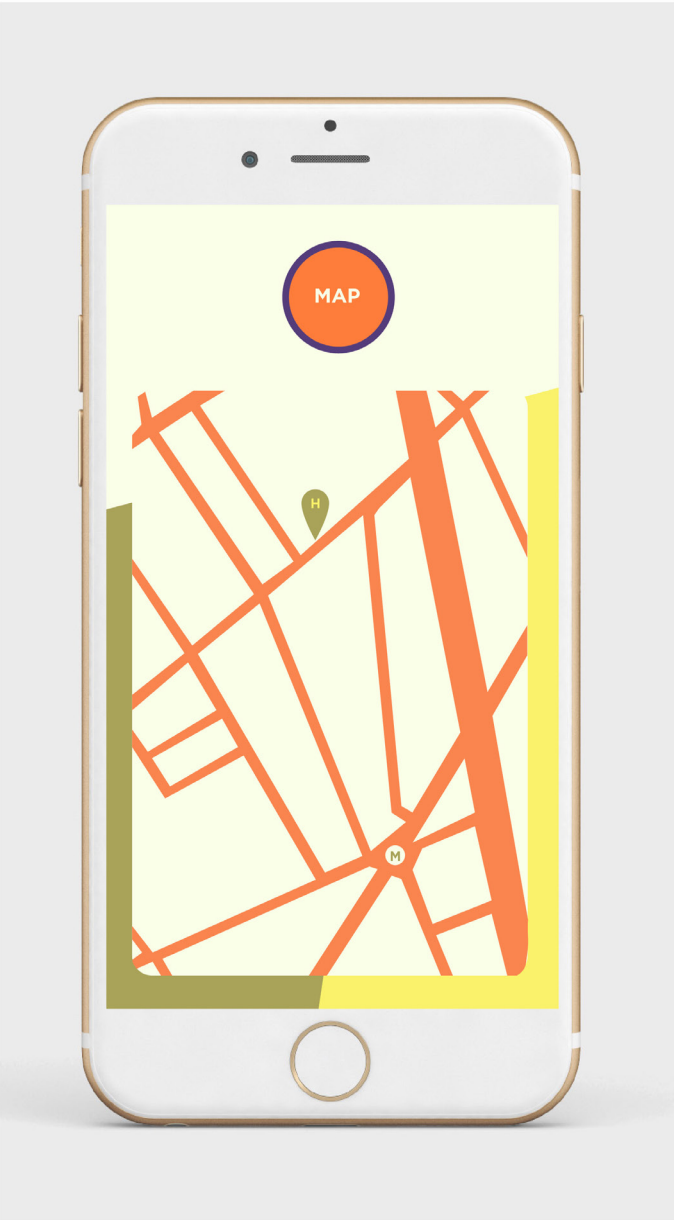

## A job interface to promote reinsertion

## Possibility to signal a semi-urgent need

All initiatives around you  
shown in one map

Partner with us  
to help make Ile  
de France a little  
bit more just.

*We deliver a logo that  
you can put to say you are  
doing your share to make  
the world a better place :*

Votre commerçant contribue à rendre  
**la région plus juste.**
